

2009 HTANSW HSC History Study Days

- **Venue:** Carslaw Lecture Complex
Eastern Avenue, The University of Sydney
- **Dates:**
 - Thursday 11 June: Modern History**
 - Friday 12 June: Modern History**
 - Saturday 13 June: Modern History; Extension History
Ancient History**
 - Monday 15 June: Ancient History**
- **Program:** The lecture program will be sent to all schools and posted on HTA's website by late Term I or early Term II.
- **Format:** The fine tradition of HTA study days will continue, with lectures on many popular and new senior topics by experienced teachers and HSC markers. The 2009 lectures will follow the new format inaugurated in 2006, with the lectures grouped around one week-end in the hope that this will offer a number of advantages to students and teachers. For example, country students who do all three history courses may be able to stay overnight (see Remote Subsidy plan below), both Ancient and Modern History students will gain access to a larger Extension program and there may be the opportunity to cater for some of the newer or smaller topics.
- **Remote Subsidy:** In 2009 HTA NSW will again offer its program to subsidise the attendance of rural students. Students from remote schools will be offered free admission to lectures and a transport subsidy of up to \$1000.
The following conditions will apply:
 - **Only applications from schools located more than 300 kilometres from Sydney will be considered.**
 - **Applying teachers or their school must be current members of HTA.**
 - **Students will be expected to attend the lectures with their teacher.**Criteria considered in the selection process include:
 - remoteness of school
 - maximum of 2 schools from any one area (North Coast, South Coast, North West, South West, West)
 - length of membership with the HTA
 - Previous support of the HSC Study Days

Assistance
for rural
and remote
schools

Teachers wishing to apply for an HTA Study Day Remote Subsidy should fill in the form below and return to HTA's office – P O Box 219, ANNANDALE NSW 2038, Fax to: 02 9518 8231 or Email: htansw@tpg.com.au
